

CalPERS Board ballots will be mailed to your home June 30 and must be returned by July 28, 2011

Please look for your ballot and remember to vote for

Michael Bilbrey in the run-off election

Don't wait to protect your retirement security!

CSEA First Vice President Michael Bilbrey needs your vote to win a seat on the CalPERS Board of Administration.

It's never been more important to elect CalPERS Board members who will fight to protect defined-benefit pensions, preserve and improve CalPERS healthcare programs, and increase CalPERS transparency. Michael Bilbrey is the only classified employee on the ballot, and exactly who we need on the CalPERS Board.

Ballots will be mailed to all CalPERS members on **June 30, 2011**, and must be returned by **July 28, 2011**. With this election critical to our retirement security, it's very important to fill out the ballot and mail it in **as soon as it arrives!**

CalPERS Board members make decisions every day that impact your retirement and healthcare. That's why it's vital to elect a fellow classified employee to the Board to ensure your voice is heard, your interests are represented and you have another seat at the table!

AFL-CIO

REAL EXPERIENCE • WORKING CLASS VALUES • LISTENING TO YOU

Please support Michael Bilbrey for CalPERS Board of Administration!
