ARTICLE II - RECOGNITION

The CITY officially recognizes the ASSOCIATION as a recognized employee organization within the meaning of Government Code section 3501 (b) of the Meyers-Milias-Brown Act for the full time permanent or probationary employees of the Police Department who are peace officers represented by the ASSOCIATION except as provided in Article VII, and as to any employee who holds a CITY position which is or may be entitled Chief of Police. Exhibit A attached hereto contains a list identifying those positions which are approved by the City Council and which are positions covered by this MOU.

ARTICLE III - RATIFICATION

It is agreed that this MOU is of no force or effect until ratified and approved by the membership of the ASSOCIATION and, thereafter, is ratified and approved by resolution duly adopted by the City Council of CITY. The Chief of Police is directly responsible on behalf of CITY to enforce the terms of this MOU and shall provide each employee of CITY's Police Department and each new employee of the Police Department with a copy of this MOU and any subsequent amendments thereto, as appropriate.

ARTICLE IV - EFFECT OF AGREEMENT

The specific provisions of this MOU relative to wages, hours, fringe benefits, and other terms and conditions of employment for the full time classifications represented by the ASSOCIATION shall prevail over CITY practices, policies, procedures, rules and regulations pertaining to represented employees which are inconsistent with the specific terms of this MOU. CITY practices, policies, procedures, rules and regulations pertaining to employees represented by the ASSOCIATION which fall within the scope of representation, but which are not specifically addressed in this MOU, are incorporated into this MOU by reference only to the extent that they are not inconsistent with the terms of this MOU.

Except when mutually agreed upon by the parties, as required by the express terms of this MOU, or upon the expiration of this MOU, neither party shall be required to negotiate with respect to any matter covered by this MOU.

ARTICLE V - SCOPE OF REPRESENTATION

The scope of representation of the ASSOCIATION shall be as set forth in Government Code section 3504, as it may be amended from time to time, and which provides that: The scope of representation shall include all matters relating to employment conditions and employer-employee relations, including but not limited to, wages, hours, and other terms and conditions of employment, except that the scope of representation shall not include consideration of the merits, necessity, organization, selection or discontinuation of any service or activity provided by law or executive order. CITY shall provide prior notice of proposed rules, ordinances, resolution or regulations affecting matters within the scope of representation pursuant to Government Code section 3504.5, except in cases of emergency.

ARTICLE VI - CITY RIGHTS

It is understood and agreed that CITY retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to:

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the CITY, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgement and discretion in connection therewith, shall be limited only by the specific an express terms of this MOU, and then only to the extent such specified and express terms are in conformance with law.

Information of an adverse nature shall not be entered in the personnel file of an employee until the employee has been provided with the original document, and has read, signed and dated a copy of the document containing the adverse comment indicating that the employee is aware of such comment. Should the employee refuse to sign the document, that fact should be noted on the document, and signed or initialed by the employer.

An employee shall have thirty (30) days within which to file a written response to any adverse comment entered in his or her personnel file. Such written comment shall be attached to, and shall accompany the adverse comment.

ARTICLE XXVII - PERFORMANCE EVALUATION

See Attachment A - "Salary Administration Plan / Salary Plan - POA Officers". (Introduction, Guidelines, Employee Performance Appraisal & Development, Levels of Performance - Definitions and Salary Plan). (*ratified and approved by City Council on 11/21/2001*)

ARTICLE XXVII - PUNITIVE ACTION

Peace Officers shall be provided with the opportunity for administrative appeal for any punitive action taken or when a promotion is denied on grounds other than merit. "Punitive action" is defined as any personnel action which may lead to dismissal, demotion, suspension, reduction in salary, a written reprimand, or if a transfer is believed to be for purposes of punishment. The term "punitive action" shall be construed to mean any personnel action defined as punitive action pursuant to Section 3303 of the Government Code as further defined by the controlling state judicial precedent. "Punitive action" does not include an unfavorable performance evaluation including the denial of a merit increase due to such unfavorable evaluation, a transfer to compensate for a deficiency in performance or some other non-punitive reason. Termination of a probationary employee for poor performance or for acts other than misconduct is not defined as "punitive action," and any such officer is not entitled to a hearing or any appeal procedure.

ADMINISTRATIVE APPEAL OF PUNITIVE ACTION

Where a peace officer is subjected by the Chief of Police to punitive action as defined in this Article XXVI, the employee may, on written request within five (5) calendar days of the date of the alleged punitive action, be granted a meeting with the City Manager. Such request shall contain the nature of the punitive action being appealed and the peace officer's reason(s) for appealing the action or decision.

The City Manager shall meet with the employee to discuss the appeal. The City Manager shall respond in writing as to the City Manager's decision regarding the appeal within five (5) calendar days following the meeting. An extension of five (5) calendar days may be taken for absence of the City Manager, where necessary to ascertain, clarify or verify information regarding the appeal, or for other sufficient reason. The employee is entitled to representation at such meeting if the employee so desires and arranges for the presence of such representative prior to the meeting.

If not satisfied with the decision of the City Manager or if the City Manager imposed the punitive action, the employee may, within five (5) calendar days, request to meet with the Personnel Committee of the City Council for the purpose of appealing the decision or action taken. The Personnel Committee will schedule a meeting with the employee to hear the employee's position. The employee is entitled to representation at the meeting, to present any relevant evidence, oral or written statement, or to ask questions of any witness present or requested to be present by any party who the Personnel Committee finds to be relevant to the proceedings. A record shall be made of the meeting. The meeting shall be conducted in an orderly manner, and all participants shall conduct themselves in a professional manner. Unduly disruptive, discourteous and offensive behavior may cause the Personnel Committee to exclude the offending individuals from the meeting, and/or to recess the meeting temporarily or to a later time and date.

Following the conclusion of the meeting, the Personnel Committee shall issue a written decision indicating the reasons for their decision and a summary of the facts upon which the decision is based. The decision shall be served on the employee within five (5) calendar days following the meeting.

The employee may then, if not satisfied with the decision of the Personnel Committee, appeal in writing to the City Council within five (5) calendar days. The City Council shall consider the appeal and accept, reject, or modify the decision of the Personnel Committee. The City Council's decision shall be final. Punitive action as defined in this Article shall be excluded from the provisions of Article XXVII,

Discipline, and Article XXVIII, Grievance Procedure. If a punitive action as defined herein additionally also constitutes discipline as defined in Article XXVII below or a grievance as defined in Article XXVIII and is pursued under the grievance procedure, that procedure shall constitute the administrative appeal in lieu of the procedure provided in this Article.

ARTICLE XXIX - DISCIPLINE

This Article applies only to permanent employees. Discipline is defined as any suspension without pay, involuntary demotion, or termination of employment of a permanent employee. Discipline does not include and this Article shall not apply to punitive action as defined in Article XXVI herein, performance evaluations, written or oral warnings, admonitions, reprimands, counseling memorandums, directives or similar actions.

CITY may place an employee on paid administrative leave immediately subject to the fights set forth in the following paragraph.

In all cases, employees shall be provided written notice of any proposed disciplinary action from

the City Manager or Department Head, and except in cases of emergency, such notice shall be provided at least five (5) working days prior to the effective date of the proposed action. A working day is defined as a day when City Hall is open for business. The notice shall contain a description of the action to be taken and its effective date; a statement of the reasons for such discipline including the causes therefore; notice of the employee's right to meet with the City Manager prior to the end of the five (5) day period; a copy of this Article; and a form, the signing and filing of which with the City Manager shall constitute a denial of all charges and demand for hearing. Such form must be submitted within five (5) working days of the date of the notice of proposed disciplinary action. The discipline shall be effective, subject to the right of appeal at Step 4 of the Grievance Procedure, at the end of the above five (5) day period in which the meeting may be held unless the employee is otherwise notified by the City Manager.

ARTICLE XXX - GRIEVANCE PROCEDURE

A grievance is defined as a claim by an employee or ASSOCIATION that CITY has misinterpreted, misapplied, or violated any specific term or provision of this MOU, or any CITY policy, rule, or Ordinance. An appeal of any discipline imposed as defined in Article XXVII above shall be submitted at Step 4 of this Article. Specifically excluded from this grievance procedure are the content of performance evaluations, punitive actions defined in Article XXVI above, reprimands, warnings, admonitions or other actions excluded from the Discipline Article, or the content of documents placed in personnel files.

A Grievant is defined as the ASSOCIATION and/or an employee. A Grievant may be accompanied at any step of the grievance procedure by a representative of the Grievant's choice.

Step 1

Within five (5) working days of the incident which gave rise to the grievance, a Grievant may present the grievance orally to the Chief of Police. If not resolved, the Grievant may proceed to Step 2.

Step 2

The Grievant must submit the grievance in writing to the Chief of Police within five (5) working days of the informal meeting at Step 1. The Chief shall respond in writing granting or denying the grievance in whole or in part within five (5) working days of receipt of the written grievance.

Step 3

If the Grievant is not satisfied with the response at Step 2, or there is no timely response at Step 2, the Grievant may submit the grievance to the City Manager within five (5) days of the earlier of the date the Chief did respond or should have responded at Step 2. Within five (5) days of receipt of the grievance, the City Manager shall meet with the Grievant and within five (5) days of such meeting respond in writing with a decision granting or denying the grievance in whole or in part. The City Manager's decision shall be final and binding on the Grievant and the City except where the grieved action is suspension without pay, demotion, or termination of employment. In the case of suspension without pay for five days or less, the Grievant may request a hearing before the Personnel Committee by executing and filing with the City Manager the form provided with the notice of proposed discipline.

At the hearing, the Grievant shall be granted a reasonable opportunity to present any evidence, witnesses or documents deemed relevant, to request the presence of any reasonably available witnesses, to cross examine any witnesses testifying against the Grievant, and to be accompanied by a representative of the Grievant's choice. The burden of proof shall be on the Department

Head or CITY. Hearings shall be conducted in an orderly manner and all participants shall conduct themselves in a professional manner. Unduly disruptive, discourteous and offensive behavior may cause the Personnel Committee to exclude the offending individual from the hearing, or to recess the hearing to a later time or date. A record will be made of the hearing. Following the conclusion of the hearing, the Personnel Committee shall issue a written decision indicating the reasons for that decision and a summary of the facts upon which the decision is based. The decision shall be served on the employee within five (5) calendar days of the meeting. The employee may then, if not satisfied with the decision of the Personnel Committee, appeal in writing to the City Council within five (5) calendar days. The City Council shall consider the appeal and accept, reject, or modify the decision of the Personnel Committee.

Step 4 - Suspension Without Pay, Demotion or Termination of employment Only.

In cases of suspension without pay, demotion or termination of employment, a hearing requested following the City Manager's decision at step 3 to appeal the decision of the City Manager, shall be before an arbitrator provided by the American Arbitration Association and selected pursuant to those rules. The CITY and the employee shall equally bear the costs of the Arbitrator, a court reporter and production of the record of the hearing. All other costs shall be borne by the party incurring the expense.

The CITY shall request a list of Arbitrators from the American Arbitration Association. All lists from the AAA shall contain only names of neutrals who are members of the National Academy of Arbitrators and who have issued at least five arbitration decisions since 1996 involving the discipline of City or County employees.

The arbitrator's decision will be in writing and will set forth the findings of fact, reasoning and conclusions of the arbitrator. The arbitrator shall be subject to the following limitations.

1. The arbitrator shall have no power to add to, alter, subtract from, disregard, change or modify any terms of this MOU, but shall determine only whether just cause exists for the discipline and if the remedy is appropriate.
2. The award of the arbitrator shall be based solely upon the evidence and arguments presented to him/her in the presence of the parties, and upon any post-hearing briefs of the parties.
3. Should the arbitrator determine that the employee should be reinstated, or that a suspension was without just cause, the employee shall be awarded back pay upon reinstatement or reimbursed for the days of suspension without, pay served.

ARTICLE XXXI - WORK SCHEDULE

Effective upon the first day of the first pay period immediately following final ratification of this MOU by CITY, unit members shall work 3 twelve hour days plus one eight hour day per a two week schedule as assigned by the Chief of Police.

ARTICLE XXXII - TERM OF AGREEMENT

This MOU shall be effective upon final adoption by resolution of the City Council and shall remain in full force and effect until June 30, 2004. Upon written request by either party and submission of an initial proposal prior to the expiration date of this MOU, each party may request to meet and confer regarding a new MOU. Failure to timely request and submit a proposal shall cause the MOU to be

extended for one additional year upon the same terms and conditions. Alternatively, the parties may reopen negotiations on any matter covered by this MOU or any matter within the scope of representation upon mutual consent of the parties.

Except in cases of emergency, CITY shall give reasonable written notice to ASSOCIATION of any ordinance, rule, resolution, regulation or established practice directly relating to matters within the scope of representation as defined by the law which is proposed to be adopted by CITY and shall give ASSOCIATION the opportunity to meet with CITY. In cases of emergency, CITY shall give ASSOCIATION such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution, or regulation.

ARTICLE XXXIII - SEVERABILITY

If any provision of this MOU is found by a court of competent jurisdiction to be contrary to law, subject to any appeal, such decision shall not affect the validity of the remaining provisions of this MOU which shall continue in full force and effect. In the event of a final ruling by a court of competent jurisdiction invalidating all or any part of this MOU, CITY and ASSOCIATION agree to meet and confer upon request of either party regarding such decision within a reasonable period of time after said ruling.
