The APA agrees to recommend acceptance by its members of all of the terms and conditions of employment as set forth herein, and the staff officials of ANAHEIM agree to recommend to the Anaheim City Council that all of the terms and conditions of employment as set forth herein be incorporated in full in a resolution of the Anaheim City Council. Upon the adoption of such a resolution, all the terms and conditions of this Memorandum so incorporated shall become effective without any further action by either party.

ARTICLE 2
PURPOSE

- 2.1 The objectives of the parties to this Memorandum are to promote full communication between ANAHEIM and its employees and to promote the improvement of employer-employee relations within the municipal government by providing a uniform basis for recognizing the right of employees to join organizations of their own choice and be represented by such organizations in their employment relationships with ANAHEIM.

Any discipline imposed under the provisions of ARTICLE 32 - SALARY STEP REDUCTION, SUSPENSION, DEMOTION, AND DISMISSAL shall

also be considered to be a matter subject to review through the grievance procedure and may be brought forward by either the APA or the affected employee on his/her own behalf.

Such submission must occur within thirty (30) calendar days after the Chief of Police's answer is received.

The parties shall thereafter attempt to resolve the issue and select the arbitrator. If such written notification and selection of the arbitrator is not completed within thirty (30) calendar days after the Chief of Police's answer is received by the employee and/or his or her designated

ANAHEIM and the APA agree that transfers to and from the Uniform Patrol Twelve Plan will be effective at the beginning of a twenty-eight day work period whenever feasible. ANAHEIM and the APA agree that an employee who transfers to a job where adjusted hours are not used on a date other than the beginning of a twenty-eight day work period, or who leaves ANAHEIM employment will have any accrued adjusted hours balance adjusted to zero by paying the employee at his or her current rate for any positive balance or by deducting from his or her pay for any negative balance. Affected employees may review payroll documents.

Employees in uniformed assignments shall receive additional compensation equivalent to 1/10th of their regular bi-weekly compensation for each holiday listed in ARTICLE 38.1, and shall have their Paid Leave account reduced by eight (8) hours for each holiday listed in ARTICLE 38.1.

Employees with a regular workday of twelve and one-half (12 1/2) hours shall have twelve and one-half (12 1/2) hours deducted from their accrued Paid Leave, Compensatory time, or Industrial Accident Leave for each regularly scheduled working day that they are on leave with pay. Employees with a regular workday of ten (10) hours shall have ten (10) hours deducted from their accrued Paid Leave, Compensatory time, or Industrial Accident Leave for each regularly scheduled working day that they are on leave with pay.

The Uniform Patrol Twelve Plan work schedule may be revoked at any time by either party upon ninety (90) days written notice to the other party. Return to a work schedule of fourteen (14) nine-hour shifts and four (4) eight-and-one-half hour shifts with paid meal periods per twenty-eight (28) day work period (Nine Plan) or a work schedule of twenty (20) eight-hour shifts with non-paid meal periods per twenty-eight (28) day work period (Eight Plan) as determined by the Chief of Police will occur at the beginning of the first work period after the notice of revocation period has been completed.

The Uniform Patrol Twelve Plan work schedule will be subject to a twelve-month intensive evaluation beginning the work period that begins on March 27, 1992.

APPENDIX "C"

**SIDE LETTER AGREEMENT
TO THE 2006-2010 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF ANAHEIM
AND THE ANAHEIM POLICE ASSOCIATION**

WHEREAS the City of Anaheim (“City”) and the Anaheim Police Association (“APA”) have entered into a Memorandum of Understanding (“MOU”) covering the period of January 13, 2006 through January 7, 2010;

WHEREAS prior to the effective date of the MOU and pursuant to the terms of the previous MOU, all employees in the Police Officer benchmark series who were designated as helicopter pilots were receiving additional compensation of two and one half percent (2.5%) above their base hourly rate of pay for serving in an assignment that was outside uniform patrol;

WHEREAS during the negotiations for the MOU the City and the APA agreed to a five percent (5%) pay differential for employees in the Police Officers benchmark series who are assigned as Flight Instructors, over and above their then current levels of compensation.

WHEREAS the parties drafted Article 19.5 of the MOU to codify that agreement.

WHEREAS the parties now realized they erred in drafting Article 19.5 of the MOU by inadvertently providing that the five percent (5%) pay differential for employees in the Police Officers benchmark series who are assigned as Flight Instructors was in lieu of, and not in addition to, any other special assignment pay to who those employees may have been entitled under that Article.

WHEREAS the City and the APA wish to modify Article 19 of the MOU to accurately reflect the terms of their agreement as regards the proper compensation for employees in the Police Officers benchmark series assigned as helicopter pilots and/or Flight Instructors.

NOW, THEREFORE, THE PARTIES do hereby agree as follows:

1. Effective retroactive to January 13, 2006, Article 19.2 shall be modified by adding the following sentence: “An employee in the Police Officer benchmark series who is assigned as a Helicopter Pilot shall be deemed to be assigned to a special assignment duty that is outside uniform patrol for purposes of receiving the additional pay described herein.”

2. Article 19.5 is modified by deleting the second sentence therein, in its entirety, and replacing it with the following, new second sentence: "Such pay shall be in addition to, and not in lieu of, any other special assignment pay to which an employee may be entitled under any other provision of this Article."
